This State Report Card (SRC) of National Achievement Survey (NAS) Class X (Cycle 2) provides an overview of students' academic performance in the state. The NAS surveyed a representative sample of all school types in each state and measured students' performance in five subjects – Mathematics, Science, Social Science, English and Modern Indian Languages (MIL) – Reading Comprehension.

Performance of students in your state: Average Percent Correct

KEY

- State average score is significantly ABOVE National average score
- No significant difference between State and National average scores
- State average score is significantly BELOW National average score
